

### **Circular to Parents on Fee concessions**

Dear Parent,

Covid 19 has impacted all of us in some way or the other. JHPS has strived its best to provide education services during these difficult times with the intention of keeping your children engaged in a positive way and also to ensure continuity of education. We have been releasing 100% salaries to our staff till August 2020 and have also incurred considerable expenditure in providing them with laptops, computers and tables and accessories to facilitate them in conducting online classes.

In the present Covid 19 circumstances, some of the parents may be finding it difficult to pay the fees and the School management also is struggling to meet the salaries and other expenses of the school. Considering the gravity of situation, we have not forced the parents so far regarding payment of fees as some of them may be going through a financial crisis. Now, as the state Government has officially announced the **guidelines about online classes, reduced number of sessions for lower classes, low fee structure at Rampally**, we have decided to cut down on the staff and salaries and simultaneously extend fee concessions to the students with effect from **1st September 2020** as per the table given below:

<b>Discount pattern on Fees with effect from September 2020</b>	
<b>Online Classes</b>	<b>Discount % on Monthly Fees from Sept 2020 (For the months <u>September to March</u> only) or till the school reopens</b>
Pre Primary	30%
Classes 1 – 5	20%
Classes 6 & above	15%
<b>Home Schooling without Online Classes</b> For all classes (Preprimary & above) Subject to CBSE & State rules on classes and promotion	50%

**Note:**

- The monthly fees **up to August 2020 have to be paid in full.**
- The discount is applicable only from the month of **September 2020 onwards**
- When the **school reopens, full monthly fees** have to be paid without any discount.
- **Excess fees paid** already by parents, if any, **will be adjusted** against future payments.

The parents now have more options and can exercise their choice as per their convenience. If they prefer online classes, they can enroll their students and if they don't wish to do so, they can opt for home schooling of their child.

We also would like to bring to the notice of parents that **JHPS is the first school who took initiative to announce Fee Discounts officially.**

The Parents are requested to **clear the dues on or before 5<sup>th</sup> September 2020 for availing continuity of the school's services.**

We expect that the parents will now volunteer to clear the fees dues and enable us to continue the online classes. If the fee collection is not encouraging, we may be forced to totally withdraw the online classes.

If the parents have any further queries or concerns, they can still **contact on 9849997897 Email: [accounts@jhpsrampally.com](mailto:accounts@jhpsrampally.com)** for necessary assistance.

We look forward to your cooperation and encouragement in these difficult times.

JHPS, Rampally
